ORCHIDS

SIGNAL MOUNTAIN, TENNESSEE

February, 1952 Division Offering FEB 1 5 1952 ☆

Expires March 31, 1952

U. S. Department of Agriculture

During 1951, all divisions on this offering were made from premium quality plants. This same group of plants has furnished many flowers of exhibition and award quality. Divisions were skillfully made and repotted in suitable material for continued vigorous growth. All divisions should bloom on their newest leads within six to eighteen months. These divisions are mature plants with proven blooming records in their background. Since there are no exact duplicates on this list, you will have a better selection by ordering immediately. We guarantee the safe arrival of your plants regardless of weather.

No.	Name and Description	Bloom Season	Sepal & Petals	C O L O R		Price

Upon receipt of your order plants will be packed carefully and shipped as soon as possible. We guarantee true representation of plants as described. Always open plant shipments in the presence of a responsible employee at the Railway Express, Air Express or Post Office. If plants are damaged, secure a signed inspection report immediately. We give no warranty, either expressed or implied, as to the expectancy and productiveness of any of the plants. Our liability is limited to the purchase price of the plants. Unless otherwise agreed, plants are subject to prior sale.
